

# GAME

## GLOOMHAVEN

### OBJECTIVES

Complete cooperative tactical missions while building characters and progressing through a branching story campaign.

### SETUP

1. Choose characters, assign starting ability cards, and set up the first scenario map.
2. Prepare monster decks and scenario-specific elements.

### GAMEPLAY

1. Each round, players choose two ability cards and use one top action and one bottom action.
2. Resolve monster actions and player initiatives.
3. Complete scenario goals to unlock new missions and story paths.

### WINNING

- Complete the scenario objective together.
- Campaign continues until all chosen scenarios are completed or characters retire.
