

# GAME

## TICKET TO RIDE

### OBJECTIVES

Score the most points by claiming train routes across the map and completing your destination tickets.

### SETUP

1. Each player receives 45 train pieces, 4 train cards, and 3 destination tickets (keep at least 2).
2. Shuffle the train deck and reveal 5 cards face-up.

### GAMEPLAY

On your turn, choose one action:

1. Draw train cards (2 from deck or face-up).
2. Claim a route by discarding matching cards and placing trains on the board.
3. Draw 3 new destination tickets and keep at least 1.

### WINNING

- Points come from completed routes, destination tickets, and the longest continuous path.
- Highest score wins.
